

REEFER ASSISTANT JOB DESCRIPTION

POSITION SUMMARY:

The Reefer Assistant assists the Refrigeration Officers to maintain and repair the Air Conditioning and refrigeration systems.

This position description in no way states or implies that these are the only duties to be performed by the shipboard employee occupying this position. Employees may be required to perform any other job-related duties assigned by their supervisor or management. All duties and responsibilities are to be performed in accordance with the Company's Safety, Quality and Environmental standards.

RESPONSIBILITIES:

- Support the Refrigeration Officer in the maintenance and upkeep of the vessel's Ventilation and Air Condition and refrigeration systems.
- Performs elementary mechanical tasks.
- Assist the Refrigeration Officer in the execution of the maintenance and routine testing of equipment, instrument and automation.
- Ensure that all aspects of our occupational health and safety programs are effectively applied.
- Ensure all aspects of the company's global (HESS-MS) Health, Environment, Safety and Security Management System are effectively applied during his/her working activities.
- Performs on call duties as per the department rotation.
- Participate in drills and training as required by the company.
- Complete additional assignments depending on shipboard operations.

REQUIREMENTS:

Calle Porta 170 Of. 609 Miraflores - Lima - Perú. Telef.: (+51) 959 959 634

- At least 12/18 months' experience in the field.
- Some experience of working with refrigeration, Air conditioning etc.
- AC/ HVAC Certification.
- Completion of high school or basic education equivalency preferred.
- STCW certificate.

LANGUAGE REQUIREMENTS:

- Excellent ability to speak English clearly, distinctly and cordially.
- Excellent ability to understand, read and write English in order to interpret written procedures, policies and manuals. This includes the ability to give and receive instructions in written and verbal forms and to effectively present information and respond to questions from guests, supervisors and co-workers.

PHYSICAL REQUIREMENTS:

- While performing the duties of this job, the shipboard employee is regularly required to stand; walk; use hands to touch, handle, or feel; reach with hands and arms; talk or hear; and taste or smell. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.
- Extensive travel from ship to ship with varying accommodations and resting opportunities require good health. Active management of health through diet and exercise is a key for prolonged success in the position.
- All shipboard employees must be physically able to participate in emergency lifesaving procedures and drills. Full use and range of arms and legs as well as full visual, verbal and hearing abilities are required to receive and give instructions in the event of an emergency including the lowering of lifeboats. The employee must have the ability to lift and/or move up to 55 pounds.
